- Oversee the safe execution of projects and shipments based on budget, scope and timing
- Ordering and coordinating equipment, personnel and subcontractor services
- Preparing transport and shipment related documentation and invoicing
- Communicate on a daily basis with clients, stakeholders, subcontractors and other relevant departments to ensure the smooth running of projects and shipments
- Escalating issues, delays, incidents, failures, decision needs and budget overruns to the appropriate project manager according to the escalation matrix
- Collect all required data and prepare regular KPI-based reports on project and shipment progress
- Preparation and control of post-shipment invoicing

Your profile and qualifications:

- Degree in Logistics, Business Administration, Industrial Engineering or comparable qualification
- Several years of experience in logistics, particularly in the planning, execution and coordination of transports and projects
- Experience of international logistics requirements and regulations, including customs procedures
- Ability to prepare and manage transport and shipment documentation and invoicing
- Strong knowledge of related operational IT applications
- Proven experience of working with various stakeholders
- Skills in budgeting, cost control and KPI based reporting
- Excellent communication and negotiation skills
- Strong problem solving and decision making skills
- Ability to manage multiple projects and work under pressure
- Structured and autonomous working style, yet a team player
- Fluent in German and English, both written and spoken
- Willingness to travel occasionally
- Flexibility and willingness to work outside normal working hours as required

Our client offers:

- An interesting role with a high level of independency and responsibility
- A lean organization with quick decision making processes
- A professional and friendly team in a modern working environment
- A structured onboarding and training process
- A personnel development program
- A competitive and performance related salary as well as benefits
